Wow, you're dumb.

Italy might not have had the strongest team they ever had, but it was far from shit. They'd have no trouble beating Croatia lol.

If The Netherlands keep playing like this, they'll get very far. Croatia has a super easy 1st round, if we play them and if we play like we did yesterday; we will crush Croatia.

Croatia is sucking arse atm... They only barely managed to win from austria (the shittiest team in the tournament, first time ever in an EC and only cause they host it).

Soccer is an incredibly boring sport to watch, second only to baseball.

Unless you are actually in the stadium.
