We dont care if your in a clan, or even good. We just want to play.

2 vs 2

Any Map

Either Side x2

Normal CW rules apply.

Please reply on this thraed, or add my email steven_r_parker@live.ca

Pardon?

Goku watched that match, he knew I lost.

I knew I lost.

I never said I beat you.

G_g?

Stop making up shit.

Or how about the fact that you asked Goku to play, Goku dodged.
There, I even post both sides to the story.

Now you look better.

a)you did ask me to 1v1 DM
b)obviously goku dodged, welcome to EKT. He's been denying the fact that he dodged for years, I dont give a shit, its just funny to watch him deny it when its so obvious (considering now even an ex-EKT members has confirmed it lol)..

Also, fyi he will be playing with monkeyz (only other active bbf player) and monkeyz is decent, so.

Why would I play you, when?

1. I play for fun and I doubt playing against you would involve any fun for either you or me
2. I got nothing to prove against you: everyone here already knows you're a complete retard
3. even you got nothing to win in this: if I win, you will look even more like a retard. If I loose, everyone will still think you're a retard.

I never claimed to be an even semi competitive player but I do like to play some private funwars against like-minded players now and then . And God knows you and I aren't like-minded. have a nice evening.

BTW: good games against BBF tonight, Rage!

That's just you assuming that most people are dishonest and will abuse the knowledge they have. This is simply untrue.

If I find out that Spooky does not know how to Obby backwalk, then I cannot consider him a top player and my respect for him would be tainted a bit. It's the knowledge that counts. Knowledge will make you powerful and that power, rest assured, given my character, will be used responsibly.
