Please help me, i know its a very very long mod but its possible.  
But i dont know how to made mods/scripts like this.  
Take a look on this:  
<http://lg-gaming.forums1.net/Renegade-h11.html>

please help me!

Quote: IRC Commands:

it give only the command !delrank at BrenBot

i search some1 who made a command !giverank <rank>

There is no !giverank command because it's extremely unfair on people who earned their rank legitimately to have the server owner just promote themselves to number 1 spot all the time.
