Ah, Cinematics Much fun!

The preset names that you are needing are the following:

Sakura - CnC\_Nod\_Minigunner\_3Boss

Raveshaw - CnC\_Nod\_RocketSoldier\_3Boss

Mendoza - CnC\_Nod\_FlameThrower\_3Boss

Apache - CnC\_Nod\_Apache

Nod Chinook - CnC\_Nod\_Transport

If you need any more help with the cinematics, feel free to drop me an email, or get me on an instant messenger.
