OK i got this tool along time ago... i still see its not very Popular. This is a Programm to Download just the MP3 of the Video very fast. Just insert the Youtube link and klick "Convert".

Heres a Picture:

---> Klick to Download <---

Edit Dont forget to Change the Output Quality.

Usually, I'll just download the entire video, and if I want the audio, I'll just rip it out using a video to .mp3 converter.
