Hi guys, just thought I'd put this on here for extended exposure.
I just copied my thread on the Jelly forums because I'm lazy to type

Criticism welcomed.

For those of you who haven't seen them, I hope you enjoy these video's, and for those of you that have, just watch the sixth one, it's brand new, and has some ingenious editing Smile

Thanks for all the support.

All of these video's are available in high quality, make sure you watch them in HQ by clicking the option to do so under the views counter.

Jelly's ok I suppose, lag here and there but the best Marathon/AOW server I ever played on was Xphaze back in the day, oh them tank rushes and TS chats.

too bad all that's gone now.
