At 1:38 - Chat with the GMAN SQUAD, a song is played as the intro. I'd love to know the name of it, or a place where i can download it, if anyone knows...

Yes, i have looked at the end credits, but it doesn't really say anything about it, other than, some songs they got from keaton-world.com.

Any/all help is greatly appreciated. ^_^

No, it sounds like it's some electronica/techno/synthesized bullshit song.

Nope, not that one.

The one that plays at 1:38, the theme for "Chat with the GMAN SQUAD".
