What are the ranks in Renegade (like Soldier, Cadet, ect.)?

What are the upgrades you get when you have a better rank?

There aren't. The "Recruit" thingy that appears is a silly little oversight and should be ignored.

However in mods like Apoc Rising, there will be a veteran system, where if you get a certain amount of kills, you gain a rank, which makes your weapons do more damage and you loose less health.

However, in Renegade, this doesn't apply.
