[](mailto:joejoebro@live.com)

I Believe That There Should Be An Exclusive Ternaments Hosted By Certain Servers Witch The Rules Would Be This I Believe.:

1. Every Player Must Pay \$5.00 Dollars To Enter.
2. Every Player Pays An Extra \$10.00 For A Set Date For Turnament.
3. The Winners Get All The Money.
4. The Server Must Be Almost Cheat Proof.

That Would Be Interesting I Believe.

Why would you have to pay to set a date?

Why not just pay 15\$ up front, and if there were sure-fire ways to make a server cheat proof atm, I don't think they would only use them for cws

I Believe Because Its Too Much To Ask For Players At First, But The Normal Price Of \$5.00 Dollars Sounds Reasonable Enough, But If They Want A Set Date Then Each Of Them Would Also Add \$10.00 To The Total Jackpot That Way They Can Practice And Get Ready I Believe.
