HEY GUYS!
I have a GDI green and black skin pack for both buildings and vehcs, however I never liked a med skin
so can someone make me a gdi skin for the med tank that is green and black, don't reall have any guide lines, just have fun
ps.
where is the skin section on this fourm?

What do you mean green and black? Like camoflague?

I will be glad to help. The skin section is in the Mod Forum.

Have you thought about looking at the vehicle parks in Game-Maps.NET and just using one of the med skins out of the packs?

ya i did look at those already
this might help
preferbly not camo
the green i want, either a limeish green or warm green and black
thanks
