I am looking for beta testers for my new map, TheMaze. It is a giant maze.

1- what have you beta tested before?

2- WOL name

3-Internet connection

A few requests I have....

1- Don't ask to test just because you want to play the map.

2- It'd be nice if you included a screenshot of the problem.

Please e-mail me @

hoiman221@yahoo.com

Thank You,

IMD

willing to test

Tested all of my own maps

And have a Cable modem

WOL Titan1x77

And can also host your map on my server!

1- I have only really beta tested me and my brothers maps, i will be doing some betas for genocide on warpath v soon.

2- Snipefrag

3-cable modem

I love the idea of a maze as i said before!!!!

I know you got a 56k..... poor thing

Aww so sad...I download a linux disto over dialup through the course of a weekend once. Like 350mb+ and guess what, @ the very end when it was copying the file from its temp location to the actual location IT FUCKING CRASHED. Anyways like I was saying, 1mb ?!?! big deal.
