OK,,, I have tried several different mission objective sequences, including a few I found in these forums, but as of yet still unable to complete the ship mission. I have read all of the posts and no luck. What am I doing wrong? Please help me, someone with the proper sequence of the objectives.... I have already spent over 20 hours on this level and am going crazy (short trip)!

Thanks ehh!

1 take out the SAM missiles  
2 The engine  
3 First mate  
Go through the yellow door after killing the first mate. Do not go through the yellow door without kill the first mate first.  
4 Torp  
5 Captain  
6 Chopper  
7 Rescue Prisoners  
8 Protect Prisoners
