What happened to Starbuzz and AOBfrost? I've noticed that Starbuzz left, and was wondering what happened to him.

hehe I ran into one of AoB's clan members...AoBAbel.

And I quickly inquired about where frost is up to:

Quote:[21:28:29] [Private] pawkyfox: hey you are the AoB clan?
[21:28:50] [Private] pawkyfox: Do you know AoBfrost?
[21:28:58] [Private] AoBAbel: yeah
[21:29:11] [Private] pawkyfox: is he still playing?
[21:29:18] [Private] AoBAbel: rarely
[21:29:33] [Private] pawkyfox: ahh...if you see him, tell him that Renegadeforums miss him
[21:29:50] [Private] pawkyfox: he used to post there a lot but he has not benn posting
[21:30:04] [Private] AoBAbel: I will
[21:30:37] [Private] pawkyfox: ty...that will be great

Maybe frost will come back and say hi again!

I'm here, my friend told me to come back for a sec.

Reason why I left? Cause my noob clan leader decides he doesnt like paying for a server and kills it off randomly which through people away from it. It used to be filled all the time, and he ruined it, then killed it for good. Then noobs all want their own server, and no one plays in them so they waste space on the list.

I moved to cod4, but long tired of that too because I got too good at it and became bored of just shooting noobs. Now I play motorstorm and soul caliber 4.

But in all seriousness.....who is fox? Do i know you? I dont remember you. I dont remember many people, even people in my own clan I forgot their names because they long quit before me. I played till the very end :\ I even sat in our server for hours just to hope people would come back
