Well, today has been my fuckign worst day for hosting ever I kicked about 100 people and banned 20. I got fed up and JTeKSvr01 is now on Neo's maps. I was going to empty but who's in it is worth keeping. I'll post it for everyone's reference. These are people to keep a eye out for. If you need their IPs E-mail me at Nexus2151@aol.com or just PM me.

As you can see I'm not in a good mood today. :twisted: I would've banned all of WOL if I kept normal maps up.
