Today, my causin died by a accident in Afghanistan.

He was a dutch soldier, and was in afghanistan for 2 months.
Now he is not with us nomore.

The following thing has happend.
My causing was on patrol with his team, only 15km from camp holland. They drove into a roadside bomb.

Rest in peace Jos ten Brinke.

I feel for you man. I know what it's like to lose a relative. I've lost 2. It sucks, but you will get over it in a couple of years and it won't hurt as much.
