The screenshot shows a forum message from a user named Aydynbek. The message content is as follows:

Hi.  
I'm Aydynbek.  
You might already know that I'm Ferkhats brother, but I'm not like him.  
I already know that you have banned him. He earned to be banned.  
So, please enjoy me being in this forum. And please note that I'm not an idiot like him.  
Bye.

Below the message are several links: PROFILE, PM, and Previous message.

You should simply point out that you don't actually have the ability to ban/unban. Maybe then they will go away.

What the fuck?

Also, Canadacdn != spammer, he's more of an extremely frequent awesome-poster.

You forget I know fud forums. You don't have access to the admincp which means you can't ban. I would bet you don't even have access to the group manager lol.

That and lets not forget you have already tried and failed to get me banned ...
