You should know that he already asked me through a couple of new accounts to be unbanned.
But this one was funniest for sure!

Hi. I'm Aydynbek.
You might already know that i'm Ferkhats brother, but i'm not like him.
I already know that you have banned him. He earned to be banned.
So, please enjoy me being in this forum. And please note that i'm not an idiot like him.
Bye.

Belgians: a race of heroes responsible for building a fully lit motorway network. They can also do forum moderation.

You should simply point out that you don't actually have the ability to ban/unban. Maybe then they will go away.

What the fuck?

Also, Canadacdn != spammer, he's more of an extremely frequent awesome-poster.

You forget I know fud forums. You don't have access to the admincp which means you can't ban. I would bet you don't even have access to the group manager lol.

That and lets not forget you have already tried and failed to get me banned ...

I think I missed that episode.

I'll add a big red arrow to this picture, as it seems u totally missed it on the picture in my first post.
