does anyone know how to make the Renegade lettering look the way it does? the metal look.

I've seen it before but can't seem to find it now.

Thank's

LOL i jet stuck at

For Darkness

Use 1 px brush

Color: 3D3D3D

Mode: Normal

Opacity: 100%

Flow 50%

For Lightness

Use 1 px brush

Color: 696969

Mode: Normal

Opacity: 100%

Flow 50%

When i figure this out i will remake the Tut to give more for the ppl like me that don't know

photoshop very well.

Ew, that looks awful. I don't remember how I "replicated the effect" of the Renegade lettering awhile back, as mine was slightly different (and better looking in my opinion, boy I'm biased), but maybe sooner or later I might whip up a tutorial.
