Hey! I'm trying to make a 1st person, 3rd person, & Back view skin of the "auto-rifle". Can someone please provide me with the names of all three of the skins needed to make this skin.

Thanks in advance.

GLOCK man! How nice to meet like this again lol! haha...Welcome to this amazing forum lol! I hope you stay forever!

So I got the files...it is only 2 files. 1 is for the main 1st person and the other one is for the back view and spawns.

I attached them. f_gm_rifl.dds is the main one for first person.

So BTW that game was incredible fun lol...I knew you were bored to death I can't believe you stayed till it was over. I got tons of experience as Gunner Oooo...

Enjoy! And if you need any other help, this is the place to be!

EDIT: I am gonna bed now...work tommrrow. But will probaly wake up and surf the web around 3 AM to see who is winning.
