GLOCK man! How nice to meet like this again lol! haha...Welcome to this amazing forum lol! I hope you stay forever!

So I got the files...it is only 2 files. 1 is for the main 1st person and the other one is for the back view and spawns.

I attached them. f\_gm\_rifl.dds is the main one for first person.

So BTW that game was incredible fun lol...I knew you were bored to death I can't believe you stayed till it was over. I got tons of experience as Gunner Oooo...
