Today I received a promo package from EA for RA3. I'll be giving away the game and all this swag on my radio show this weekend, if you're in Southern California, tune in to 104.3 MyFM on Saturday from 1p-6p and Sunday from 10a-3p.

Only if you promise to play some Heathen.

C'mon man, you can't deny the awesomeness of Heathen. They didn't get much publicity in their day, and they'll soon be releasing a new album! ;(

No? =(Then Testament?
