haha I know right, it woulda worked if we just had 5 orcas. one orca must die for the rest to succeed! being that I recorded it all, I always try to be last in.

I know right! The same couldn't be said for your videos, if that's what you're hinting at. Ridiculous amounts of cheats does not equal ownage, Scrin. It just makes you retarded.

lol, that's what people kept saying to me, was how 'plain' I play the game, no mods or anything. There is prolly so many good mods out compared to way back when. I just don't wanna get banned cause I used some random mod to make hotties naked

Ignore Scrin, the moderators are waiting for him to post something that clearly violates the rules so we can ban him. Nice flying.
