go up to the door you needf the key kard 4 atleast twice. then eva sys that you need the eliminate the (first matte for yellow and ship captin for red key card) it wwill appear a primmary objective on your objective list. BTW if your right on the objective star, and there is nothing there YOR ON THE WRONG LEVEL!!!!!!! FIND AN ELEVATORE THAT GOES UP OR DOWN< AND TRY AGAIN!!!!!!!!!!!!!!!!!!!!!!!!!!!!

why are people stuck on the ship level?its one of the easy missions. the hard one for me was

getting mobius out alive, idiot kept running into a bunch of stealth nods
