get to the dino mission? i'm pretty sure there is at least one, because there's a skin for a dinosaur in the game files, does anyone know yet? i'm guessing it's something like you have to get 5 stars on all the missions on commando or something... i'll get a pic of it, and post it in a few minutes as soon as i find it again...

ws_ftp? Bah, lame program. Use CuteFTP or, if you're short on cash, ftp.exe which is in your Windows folder. Or use Telnet. They are all better than ws_ftp.

ending and bad puns/wordplays in so many of the videos...
