All added to Game-Maps.NET now.

Some really cool skins, check them out.

Lilth > Hotwire

Fixed.

Glad I got them up, took about 3-4 hours.

Goztow wrote on Tue, 23 December 2008 01:19I get 500 errors on those links.

Just refresh the links, I been getting them for no reason as well, the server must be having problems, should clear up after Christmas I hope.

And another skin/model is added to game-maps.net!

It changes the menu! Check it out

http://ren.game-maps.net/index.php?action=file&id=1305

How does it not work, does the file download?

Did you use the zip or the exe?

If you used the exe, make sure that it has installed to the correct folder for the game, you can also change this.
