Hello there, welcome to the community.

If you need any files for Renegade, Skins, Updates, mods, maps, mappacks, pretty much anything and everything for Renegade, then please visit <http://www.Game-Maps.NET>

You also might be interested in two mods based upon the same engine which is free, one is C&C Reborn and the other is Red Alert: A Path Beyond, both games can be downloaded at [Game-Maps.NET](http://www.Game-Maps.NET)

If you ever wish to make maps, model or skin, then visit <http://www.RenHelp.NET>
