Undelete? My understanding is that if you delete something, it's gone forever.

I don't see how this is at all necessary really, considering it's not that big of a deal (as many of our members starbuzz have shown) to make a new account every other day.

Are you talking about Renegade or Renegadeforums?

On renforums, accounts never are deleted. On Renegade, or better: xwis, accounts aren't deleted unless you go to a website to permanently delete theu (see stickies in ren client subforum).

Gozy, if I delete an XWIS account, will I gain that "space" to create another nick on that same serial? I know there is a 9-nick limit.

Yeah you will gain that space to make another nickname, but as I'm sure you're not able to

edit: Oh god don't tell me you deleted maltybeer when you made xbbxmalty or whatever.
