I was just wondering how things are going with the patch. Is everything progressing as planned? Anything new completed since the last update? Just hoping maybe we could get some info for the New Year as it is nice to hear any good news from Renegade these days.

Maybe an updated "features" list, like the one posted last year but then updated with things that have been asked for?

There have been quite a few topics about this, e.g.
<http://www.renegadeforums.com/index.php?t=msg&th=30998&start=0&rid=4882> . The team proly has nothing to add to what they posted there.
