Its an R&B song with a girl and a guy.
But i cannot completely write down the lyrics for ya.
Maybe someone has a idea?

It goes like.

Eeexccuussee me, but i just dont think we can work it out.

....??.... thats all i can say. You must be my angel, but why are you acting so cruel to me ...??...

....??.... but now its over, over. (Then the girl says) yeye

Chorus:

You are the fool who can make it right.??... and fight for your rights?

I hope someone can tell me.

Ever think of using Google? Also, wouldn't you have a better chance at finding what you want... on some R&B/Hip-hop forums, rather than these forums?

Oh, and I must insert this obligatory comment: R&B sucks, anyway. Forget the song you're trying to find and go in search of REAL music.
