ROFLMAO Scrin, I'd recognize your posts out of millions. OK, here's the deal I propose you. I just double your ban on your main account and put the same ban period on this account. So that's 25 days from now on. Every time you bypass this ban, you'll get an extra 2 weeks until you get sick of it.

He's bypassing a ban. Do you think he still deserves a second chance?

Anyways, Scrin, I thought you got all mad and shit and didn't want to come back. (EVER!!1)

Hmmm you have a point. Instead of adding 2 weeks, I'll double his ban period each time he bypasses. Should go much faster.

Is that double the days he has remaining or double the entire ban?

Like say he is banned for 10 days, waits 2 days and gets back in. Will you make the ban 16 days (8x2) or 20 (10x2)

To be technical: I'll add the total number of days he was banned before. So next bypass = + 30 days. The one after that = + 60 days. Etc.

Most Likely, as you don't use those gay skins Scrin uses. The screenshot has no skins whatsoever from what I see, so not Scrin's screenshot.
