First off congratulations to Crimson, I'm sure this is an honor for you, but not your bandwidth . I'd also like to congratulate whoever worked on porting this, GJ, don't know how you did it but GJ. And no, I'm not kissing up. I just want to know if WW is going to redirect, I use the site map then click on Rene forums, WW should redirect. Otherwise there's going to be jsut a little confusion. Other than that GJ. No more TOSs wh33333333333 bump bump bump!1111111
