I remember that.

I can't remember where the topics that lead to it are, but the "Wall of Shame - Not allowed to post in here" was part of the result.

I have been around for quite a while, depends how long ago your referring to. And back in the early days I didn't post much, just read things mostly. Assuming thats your original account (registered Sept 05) then I have been around since before you originally joined, which would qualify me as 'old guard' I suppose
