btw the server ip has changed its now: 173.66.221.77:2121

well looks like I'm getting some interest in the server again. i guess people want to play some new maps without the b.s. some servers have. so ill give it one more go. going to try and get people out on the weekends. friday - sunday.

maps can be downloaded at renbattle.net

lol i was messing around with your sentence to
have a personal giggle at your expense

what you typed
what i typed

ok this friday at 8pm eastern till whenever I'm going to see how many people i can get to come out
of the closet

hahahahahhha i still giggle at my immature mind
cheap laughs are the funniest

well heres a good question.

Does this server of yours custom LUA scripts such as building extra defenses, or buying custom characters, weapons, o vehicles...
or have a bank system???
