No, really, to me there is nothing like cruising in a med tank with a nice slice of cherry pie by your side. Just wondering what kind of pie all you other renegade player prefer. Let me know!

HMMMM... You are spoiling my appetite! However I would prefer apple pie with a can of whipped cream on the side. Maybe even Ice-Cream!

spread it over the crust. then a layer of chocolate pudding, then topped with coolwhip and chocolate chips. man, that's the best pie in the world!! lol..

I personally like pumpkin pie with tons of real whipped cream... The fake stuff in a can just does not taste as good...

And when there's no hair pie around, a nice slice of apple pie with cinnamon, caramel, & vanilla ice cream hits the spot.
