kann mir irgendjemand mal einen guten tutorial link für renx geben wo die grundlagen enthalten sind. in deutsch wäre nicht schlecht

for the other

i asked if some1 can give me a good link in german for renx

i asked in german because i can say it better in german

I think you will get stuck on that

AFAIK all the good tutorials are english.

As alternative you could always to translate the english page to german using

<http://translate.google.com/>

OR <http://translate.google.de/> for Germany
