i made a tut for how to draw folded dragon wings... but idk where to put it... anyone got any ideas?

note:12 pic.s, 2 many for forums, so don't even sugest here unless mod says i should.

DeviantArt, maybe?

That drawing's pretty good

thx, this is a TUTORIAL for making folded dragon wings to be put on a dragon, not a pic. If needed, I can write HTML...

They have tutorials on deviantArt. MAke the tutorial into a whole image and you're good to go. I honestly have no other idea where to put it.

Yeah DeviantArt is the winner for all that kind of stuff.
