Good effort, but tbh it hurts my eyes. Maybe I just don't like art or something.  
Also, inb4 "Advantage Skin"

well, it looks cool, but try to change the colors black and red? like the original one  
EDIT: No, no, better black and yellow

Well this was just a scanned in old art project of mine

I will fiddle with a colorfilter later to see how that turns out. (Making the blue to red)
