Not sure if this has been fixed or not, but I remembered it the other day when I was playing.

I'm talking about the PT bug that stops you from using the PT's after you had a game crash and rejoined the server, only way to fix that at the moment is to die.

Fixed in 4.0?

StealthEye wrote on Sat, 28 February 2009 18:59Fixed.

This makes me very happy. I often lose connection, so PT bug is a real thorny point.
