I'm sorry but I haven't seen any person post that they would want to have these skins. I doubt any reasonable person would want to have them.....

Dont know if you read any history books....

Just remove it this is a disgrace for history.

Okay, normally I don't mind Swastikas as despite their serious meaning they are a part of history, etc, but this is fucking retarded. Seriously. You're a bad person, and you should feel bad.
