Map wont Disappear when you Fly very High  
Later you can drive small Boats, and there will be no  
Orginal Renegade Gun, Vehicle or whatever. I make some  
new Vehicles, Guns etc. Maybe someone has Suggestions?

Note: Its not a AOW Map, even me doesnt have a clue what it is lol.  
Water will be also Bump Mapped And it will have farcry Guns and Vehicles and later theres  
nothing of the Orginal Renegade stuff (like Heli etc)

Thats a nice looking map mate!  
Maybe add some more structures to the map, like watertowers or something and maybe some  
houses with interiors

sounds good  
could you also show a screenshot in 3ds max with edges faces on ?

Normally this is just a test map to test some shaders Vehicles and Guns, i made it fast and simple

with HeightField.
