yo is dis internet explorer 8 werth da change from 7 to 8, anyone have it installed and think its better?

is it like when air jordans went from 21 to 22 when it sucked or good like when it went from 23 to 24 where da sneakas were crazy good again.

Internet Explorer 8 was declared faster than firefox 3. Only by a few milliseconds though.

It makes a lot of improvement only web designers will be happy with, other than that it's pretty much the same and still sucks at security. Get a better browser.
