I know what I know and you think you know.

Whatever the case

I have always seemed to get NEGATIVE responses on this forum

Therefore i have removed all posts and skins and images.

U got NO BUSINESSSS looking at my photobucket pics

for the sole purpose of y u r looking at them.

Besides I needed to clean it up anyway thx, i had over 4 pages of ren pics.

And there wont be any more for this forum.

I dont use nicks either because I dont use any cheats.

It aint proof of nuttin other than someone has rgh.

It's no proof that they use it.

BTW Brandon FINCK is their name.

My cousins son Who I turned onto to ren about a year ago.

Now is that going to do you any freeking good?

Oh. So NOW it's your cousin's son fault? You're pretty bad at lying. A believable lie would be something that's actually consistent. Any ways, I don't think there was really anything you could do about it to begin with, since you were stupid enough to post some pics WITH your cheats on. You're digging yourself a hole here.

Dude, so true. Why do people have to be faggots and buy miniature versions of good things? Normal sized carrots aren't good enough for you?

If we have no business looking at your photobucket images, then why did you post them on the forum for us all to see?
