This will replace the standard NOD refinery interior for one with more decoration. You will see a working tiberium machine, breakable glass, grass everywhere and a nice tiberium logo!

Works online ofcourse.

Here is a video

[http://www.youtube.com/watch?v=0AWI8kjBsbE&feature=channel\\_page](http://www.youtube.com/watch?v=0AWI8kjBsbE&feature=channel_page)

You can download it on my webpage.

<http://renegademodels.tk>

Enjoy, and please comment

From a realistic point of view, it doesn't make sense to put a breakable window near Tiberium (which is very toxic)...

From an artistic POV: great work!

hmm yeah your right  
but have you ever seen glass that can fly
