IT SAYS " This program has failed to start because the application configuration is incorrect.
Reinstalling this ap. may fix the problem.... IVE reinstalled it plenty of times and it hasnt fixed it.... i
mean the game still works, but it just opens up directly to renegade not the ressurection part.

i tried downloading rr, i dont have any advice for u but all i can say is it doesn't work for me either.
what really pisses me off though is that everyone that uses it won't help me.

I would suggest visiting this link.
<http://www.icefinch.net/community/>

This is the forums for RR, you should find more help there.
