i know there was still released a good nod vehicle pack
but i made a flamer skin and want to hear some comments from you ppl
when the reaction is good i make a vehicle pack in this style

It looks good. I think the tracks need to be changed aswell in the same style as they kind of stick
out at the moment.

i dont like it.
looks ugly in an unknown way.

Are you using custom shaders?
It can change the look a hell of a lot.
