Discuss.

I loved the end of the 5th season. Too bad Juliet died. Cant wait until the 6th season. The the statue thing was kinda scary.

One thing I learned is that when someone dies in Lost, it does not mean you won't see that person playing anymore.

It was an explosive season finale, and I think the whole Jacob and the island thing will be explained in season 6, unlocking every secret, and the series will end with a great finale.

Lucky for you, it's a bit more complicated than Juliet just dying. In fact, knowing Lost, you can't be even be 100% sure she did.
