This turns your stealth skin into... nothing. Yep. You could walk within 2 inches of a stealth tank and never know it.

Just for laughs, and maybe you could give it a try and see how much it hampers your game, hmm?

This is actually as bad as the default skin on C&C\_Alpine...

Interesting... nice work.

Only the moderators can write that as a joke. I saw it on the APB forums...

This is still really silly.

Reborn (the game) has this as the Chameleon's actual stealth. It is awesome, it makes you be more aware of your surroundings.
