i want to change the ingame font but i dont know how or with which file is here anyone who can help me with this problem?? i mean the chat (top of screen) the player list in the top right corner and the player name

for those one who dont know what i mean i think these ss explain it better

normal

what i want to have

Change your fonts in stylemgr.ini - found in your data folder.

http://www.st0rm.net/forum/showthread.php?t=6194

change the Font_ingame_txt in your stylemgr.ini

hope it helps

you can try these ones that are already made

http://www.st0rm.net/forum/showthread.php?t=6123

its the ones scrin uses in the ss above in jsx's post

thanks to arkaya

For the font in the upper right of the screen you will have to change the texture for it in your photo editing program.

I believe its font6x4.TGA there are 3 different font.TGA its one of those.
