Well i have it but on Ogame.nl

And playing is a big word. A guy in my class said i should check it out.

I dont really play much

I used to play it a few years back, I quit it after I realised how much time I was wasting on it... I would literally check it every minute or so and ended up at the point where I didn't get anything done for hours because of it. I get too hooked with those sorts of games...
