Not that I'm complaining or anything, but why was scrin banned and for how long? I don't visit these forums enough anymore to keep up with all the politics/drama.

Idk if he was banned twice, I just see whats his face posting all of his awful skins for him, and his impeccable grammar is nowhere to be seen.

He got a one month ban for racism, but there's no date on that in the moderator's forum, so I can't say when he will be back.

Goztow wrote on Tue, 02 June 2009 12:26I think he wanted another 1 month ban. At least, that's how I interpreted it. These constant spam posts are really pissing me and the other moderators off. You're as bad as trooperm02: you constantly alternate constructive posts with random crap spam.

This will be your last warning, Scrin, next one will be permanent. You need to follow the few rules this forum has. Now back on topic plz.

I'm so hoping that he is going to make another mistake after this ban.

I'm also so going to report him, if he makes a mistake.

Will be fun

Why not just, you know, ignore him? If he gets the idea that it's only three people that suck his dick, he may just leave.

as i think someone else mentioned, this forum's moderation is pretty laid-back, so if you do get banned, you must be a total fuckhead

The funny thing with scrin is that he could be loved by many if he actually released his things, but instead he just keeps it to himself and the very very(each very = 1 person, 2 people) few that like him.

So by keeping his stuff to himself he is doing more harm to himself rather than others.

You CAN get banned quickly, if u read the rules and do the exact opposite. E.g. posting a link to a pr0n site, to earn money. But normal users with a minimum of common sense won't get banned easily.
